Historic Château and prestigious country home available  
for weddings and private functions !

Pennautier is our family home, a winemaking estate passed down from generation to generation since 1620. It gives us great pleasure to welcome you here, and to see your special occasions bring this magnificent historical monument to life. The facilities on our estate are not 'hotels' in the traditional sense; they are family residences where you should feel right at home. Welcome.

## Le Château de Pennautier\*

The Château de Pennautier is an authentic 17<sup>th</sup> century stately home, often heralded as the Versailles of the Languedoc. Indeed the Château itself was designed by illustrious architect Louis Le Vau, with the gardens laid out by Le Nôtre. Today Pennautier's extensive vineyards produce wines of international renown, and the Château is available to hire for special events. Fully renovated, with the utmost respect for the elegance of the historic interiors, Château de Pennautier is conveniently located just 3 km from Carcassonne (✈,🚂) and 90 km from Toulouse (✈,🚂).

The Château boasts a conference centre with 4 seminar rooms (30-180 people), 20 luxury bedrooms, several function rooms, a ball room, the "Galerie Louis XIV", a 30-hectare garden with outdoor swimming pool, a private parking area, wireless internet and bespoke on-site services.

It is also possible to book the whole Château for private functions.

During your stay you will have free access to the prestigious "Salon d'Honneur", where you can get together with friends and family in a warm, friendly atmosphere in front of a roaring fire, and enjoy some music and a good glass of wine.

A breakfast buffet will be served in the Château's private Dining Room.

## Le Domaine de Garille\*

Situated just 2 km from Château de Pennautier, within the grounds of the estate, Le Domaine de Garille has 7 **charming cottages with a private terrace** and a wonderful view over the vineyards and the mountains.

The cottages can be hired as gîtes, or individual guest rooms.

## Restaurant "La Table du Château" & wine shop "La Cave du Château" \*

In our restaurant, set in a lovingly converted farm building, our chef offers a menu bursting with **fresh Mediterranean flavours**.

The "Cave du Chateau" our wine boutique, gives you the chance to discover, taste and order all of the wines produced on our estates.
